

JEFF HAZE

Since the early Millenium, the gifted American DJ & House Music Producer Jeff Haze has been fiercely devoted to real House Music, honing his production talent to become one of the finest House Music producers in the underground scene.

On the production side, the last 15 years has seen Jeff release his infectious brand of real Funky, Jacking and Deep House Music on vinyl and digital formats on some of the very best House labels including Soluble Recordings, Simplistic Music Company, Minority Music, Juiced Music, Midwest Hustle, Jump Recordings, Blockhead Recordings, Phobic Recordings, Union Recordings, 1200 Trax, Jacked Out Trax, Bid Music, Deep Hype Sounds, Wetsuit, Full House Digital, and Hot Groovers with his music consistently breaking the top 100 Beatport & Traxsource Jacking and Deep House charts.

Love and support for his music has come from the likes of Mark Farina, Ben Spalding, Giom, Hector Morales, J. Caprice, Kingsley Flows, Fries & Bridges, Andrew Macari, Miles Maeda, and countless national & international global radio shows including Chicago House FM, Deep House Cat, Prime8radio, Sonium Rebels Radio Argentina, and Entreplats Radio Spain.

On the performance side, Jeff has played across his native Oklahoma and down to other states across the USA including Texas and Arizona, and at venues including Lizard Lounge, Sidebar-Phoenix, Temple, Wreck Room, and alongside artists including Josh Gabriel, Dave Dresden, Simply Jeff, John Kelley, Steve Smooth, Poston, Johnny Funk, and Adam X with future national & international shows in the works.

2021 & 2022 sees Jeff continue working on new material to be released on several top record labels around the world.

There is no question that the very best of Jeff Haze is yet to come - an underrated artist whose contribution to Underground House Music has been nothing short of outstanding.
